Supporting families with autistic children and young adults

If you are professional or a parent/grandparent of a child or young adult diagnosed (or awaiting diagnosis) of autism or Asperger's Syndrome you might be interested in joining our support group.

The group aims to offer guidance and advice, as well as provide information through programmes, speakers and events.

To make a referral please complete the form or get more information please contact

enquiries@familyfocuslincolnshire.org.uk or call Sarah on 01522 508360 or 07519 359106
