Parent Survey 2023 Results

Dear parents and carers,

Thank you for your responses to our recent annual parent survey. We appreciate the time you took to complete it; your feedback is valued and helps us to improve. It was great to read all the wonderful comments about our school; we are indeed very proud of all our hardworking staff and the positive impact Metheringham Primary School is having on your children, both on their development and academically.

Please find the results as percentages. We had around 75 responses from the whole school but not everyone answered all of the questions. Please take some time to read the most frequent suggestions from the survey and out responses to those.

Yours faithfully,

Helen Whitehouse (Chair of Governors)
