SEND TEAM

SENDCo

Metheringham Primary school

Hello, my name is Mrs Thackray and I am the SENDCo at Metheringham Primary School.

I have been fortunate enough to work at Metheringham Primary School for over 30 years. During this time, I have worked as a teacher across both Key Stage 1 and Key Stage 2, before becoming the school's SENDCo, a role I have held for over 20 years.

My many years at the school have given me the opportunity to get to know our children, families and community very well. I am passionate about ensuring that every child feels valued, included and supported, and that they have the opportunity to achieve their full potential.

As SENDCo, I work closely with children, parents and carers, teachers and other professionals to identify and understand children's individual needs and to ensure that appropriate support is in place.

I am always happy to talk to parents and carers about any concerns or questions they may have about their child's learning, development or additional needs.

I am available in school on Tuesdays and Wednesdays. If you would like to speak to me about your child or discuss any SEND concerns, please contact the school office to arrange an appointment.

I look forward to continuing to support the children and families of Metheringham Primary School.
